## Benefits Administration

### We love to create benefit programs

BBP Admin is celebrating 40 years in business in 2017. Three generations of this family run business have made it into a leading nationwide benefit administrator. We provide innovative employee benefit solutions for COBRA, FMLA, FSA, HRA, HSA, Payroll and Transit plans.

### We create the perfect balance of technology and the human touch.

We are committed to making it easier for you to run your business, with the understanding that technology alone is not the answer. Our primary focus is building teams of experts to better serve our customers in a variety of important ways.

#### CUSTOMER SERVICE

You can count on us to provide you with exceptional service, solid expertise and the best products. We are licensed and experienced benefit administrators devoted to personal and prompt service.

#### TECHNOLOGY

Easy to use and powerful web-based administration systems. A secure helpdesk to track every request from start to finish. Mobile apps to make participant use as easy as possible. Email and live chat support to help participants. If you have a special need, we can help you with a solution.

#### PRODUCTS

We have focused on the benefits needs of companies for 40 years. Whether you need a simple section 125 plan or a complex health reimbursement plan, we'll work with you to identify your optimal coverage.

#### PARTNERS

Starting out as a local Illinois administrator we have grown into one of the industry's most trusted and reliable nationwide TPAs. A large part of our success is the partnerships we share with the brokers, agents, tax professionals and financial planners. Our technology, customer service, and provider resources give you all the tools you'll need to sell with confidence. We will make you look great!
