EMPLOYER EDUCATION

The Benefits Insights series serves as a reliable resource for all types of HRA-related topics and provides your clients with answers.

COMPLIANCE

Avoid making costly mistakes with employer-sponsored HRA plans. Review the comprehensive Compliance Overviews focused on HRA legislation and regulations.

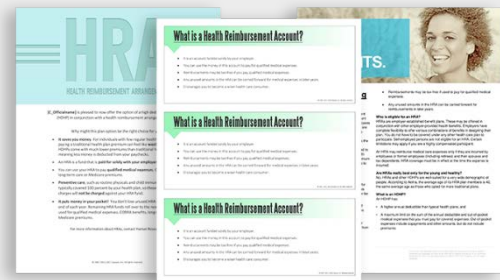

PLAN DESIGN AND ADMINISTRATION

Review professionally written articles and annually updated benchmark data to learn more about HRA plan designs.

EMPLOYEE COMMUNICATIONS

Communicating with employees about plan options and details is important, but it's not as simple as it seems. Choose from hundreds of customizable articles, posters, emails and presentations to communicate this new plan offering to employees.

EMPLOYEE EDUCATION

Employers are ultimately responsible for educating their employees about the health coverage options they offer, including HRAs. Use easy-to-read, customizable guides and articles to educate employees and fulfill your responsibility to your clients.
