## HSA Investment Website Resources & Tutorials

### Video Tutorials

	<b>Account Overview</b> A brief overview of the Alegeus HSA investment portal.
	<b>Mutual Fund Information</b> View the Fund Performance Dashboard, which provides historical mutual fund return and fee information for the investment options available through the investment account. Links are also provided to mutual fund resources like the prospectus, fact sheet, and Morningstar® page.
	<b>Allocation Model</b> Learn how to set your investment elections for future dollars that are contributed to your HSA investment account.
	<b>Re-Allocate Portfolio</b> Learn to re-align your investment allocations.
	<b>Transfer Between Investments</b> Learn to move between mutual fund holdings in your investment account, by dollar amount, dollar to percent or percent to percent.
	<b>Transfer Funds to HSA</b> Learn how to move money from your HSA investment account back to your HSA base balance.
	<b>HSA Asset Allocation Tool</b> The HSA Asset Allocation Calculator can be used to help determine your HSA mutual fund asset allocation.
